

A bathroom isn't just another room. Be it preparing for an interview or a speech, reading the morning newspaper, catching up on a bestseller or simply singing, it is an important place that offers so much more. Your bathroom deserves to look the best. Our bathroom storage ideas make this creative place look great:

- Made of stainless steel, resist fading and rusting - An exhaustive range for every nook and corner
- Neat, simple designs that add to the elegance of your bathrooms
- Low maintenance, highly durable

**Bathroom Essentials
Toiletry Delights**

Home Care bathroom essential range has been designed keeping you in mind. Our durable, stylish and very practical designs make them ideal for daily wear and tear. Be it the racks or storage boxes, our range coordinates well with your sanitaryware and keeps your bathroom neat and sorted.

Perfect for modern bathrooms, the rack stores folded towels on the rack and a loop below allows you to organize washbasins.
